

CT900 TREADMILL

Robust construction and commercial-grade components make the CT900 the standard for any treadmill to measure against. Specifications for the rollers, belt and deck were meticulously chosen to give users a smooth workout experience. Powder-coated steel, powerful motor, and outstanding warranty allow owners to rest assured they have products that will stand the test of time.

FEATURES

- Oversize pulleys and 12 groove poly-v belt with tensioning idler reduce stress on the system for added reliability
- Double-sided .5mm phenolic coated deck, 3.0" rollers and multi-ply Habasit® belt combine to provide a low maintenance system for thousands of miles
- Roomy 22" x 62" workout surface offers clients plenty of room for a comfortable workout
- Industrial, 5.0 horsepower AC drive system provides power and longevity
- Polyurethane shock absorbers ensure just the right amount of cushioning
